ABOUT ME

I am 30 years old, born and raised in Paris. Recently I decided to move to Sweden because i'm curious about Swedish culture. Now I'm looking for a new work experience in Stockholm as a fullstack web developer, that will give me some new opportunities to increase my skills and learn more. Ready to bring a fresh perspective to your team and tackle new challenges in the web development world.

JOB EXPERIENCE

Ambulance

Ambulances du Centre I 2022 - 2023

- Emergency call center - SAMU 15
- Transport of sick & injured patient
- Complete disinfection of the medical vehicle and equipment

Ambulances Joncs Marins/Dalayrac I 2019 - 2021
